Mars Bars Squares

Crisp and chocolaty!

✨ For pretty contrast, drizzle melted white chocolate over top before cutting.

INGREDIENTS

Mars candy bars (1 3/4 oz / 50 g each), chopped (black and red label)	**4**
Hard margarine (or butter)	**1/2 cup / 125 mL**
Crisp rice cereal	**3 cups / 750 mL**
Semisweet chocolate chips	**1 cup / 250 mL**
Hard margarine (or butter)	**1/4 cup / 60 mL**

LET’S MAKE THEM!

1. Heat and stir candy bar pieces and first amount of margarine in large heavy saucepan on low until smooth. Remove from heat.
2. Add cereal. Stir until coated. Press evenly in greased or foil-lined 9x9 inch (22 x 22 cm) pan.
3. Heat chips and second amount of margarine in small heavy saucepan on lowest heat, stirring often, until chips are melted.
4. Spread evenly over cereal mixture in pan. Chill. Cuts into 36 squares.
